

FLIGHT OVER THE THREE QUEENS

On Monday 25th May 2015, at about 11am, we boarded the tiny 4 seater plane, my wife Anne, being the co-pilot (ha ha!) and myself and Maureen Hardwick seated in the back.

UP UP AND AWAY

We had a wonderful experience and our pilot was very knowledgeable and experienced.

ARE WE READY FOR TAKE OFF?

We flew past the Three Graces along the River Mersey towards Little Crosby where Gormley's statues are and there we spotted the Queen Mary leading her sister ships, Victoria and Elizabeth, towards the Pier Head.

THE BEACH AT LITTLE CROSBY

Seeing the crowds gathered along this expansion of beach was incredible and made us feel so proud to be part of this fantastic experience, especially viewing it from above!

We are so glad to have had the opportunity to fly so close to these magnificent cruise ships. Thank you Keith for organising the flight with Keenair and also to our pilot and Keenair Flying Club.
